Gifts For All God's Children

Christmas
in July

SAVE THE DATE | JULY 19, 2022 | SAN MARINO CLUB

Greetings from everyone at GFAGC!

The past few years have been a challenge for many of us.

For so many of the people we serve the pandemic only magnified their challenges. The children we serve go without on a regular basis.

Thank you for joining us in our mission of being a conduit of God's generous love. We provide resources focusing on the needs of underserved children while connecting them to Jesus. We do this by encouraging churches and organizations to work together to support spiritual, academic and social growth in these children.

The Vision of Gifts For All God's Children is a world where all children are thriving and connecting to Christ.

We could not do this without your help, love and prayers.

We know our needs will continue to be great and are grateful for your continued partnership and prayers. Together, we will connect even more children and families to Christ.

With God's Love,

Introducing the Love for Others Society

In an effort to pay tribute to some of GFAGC's impactful donors throughout the years, the Love For Others Major Gifts Society and Legacy of Love Planned Giving Society have been established. Benefits of being in the societies include special perks such as preferred seating at organizational events, virtual donor wall listings and invitation-only events to get the inside scoop on the future of GFAGC. We are so appreciative of all supporters of our Mission, and this is one significant way to recognize those who have made a significant financial investment over time.

Love For Others Society: The Love For Others Society includes donors who have made cumulative gifts to GFAGC that total \$1,000 and above from 2015-present. Cumulative giving totals do not include in-kind gifts, event ticket/ sponsorship or auction purchases.

Local Children in Crisis

More than 15% of the children in Michigan are living in poverty. These children suffer from hunger, illness, insecurity and instability.

They are also more likely to experience low academic achievement, obesity, behavioral problems and social and emotional development issues. God has called us to help these children.

We work to meet the needs of these children, connect them to Christ and let them know that He loves them unconditionally.

Our Strategy

Our programs are designed to connect the children we serve with their local churches and ministries so they share Christ with them and develop relationships. Relationships change lives. We support events and pickups at churches whenever we can.

CHRISTMAS OUTREACH

We have provided gifts to more than 77,000 children in our community since 1987. We praise God for giving us this connection with the children and that He has included us in His plan.

SCHOOL AID

We are thankful to support children in need with the uniforms, school supplies and shoes that they need to be successful.

CONNECTING KIDS TO CHRIST

We connect kids to Christ year round through our tutoring program, our Easter bags and buckets, our hygiene kits and our summer Bible camp.

Recipient Highlight

This is the story of Jay. He was a student in our tutoring program and involved in everything at our CKC Center at East Bethlehem for about 3 years. Last summer, he did not attend summer camp or tutoring in the fall. Our repeated attempts to contact him were unsuccessful—until recently.

Jay finally answered our phone call and his excited first words were, “Can I come back to tutoring?” He was being raised by his grandmother and grandfather, but last summer his grandmother died, and she was our only contact to Jay.

God reconnected us to Jay and his grandfather, and they are both thrilled to be back at our center and at tutoring each week. Our hearts overflow with joy and thanksgiving now that Jay is back!

Our tutoring program is something that sets us apart from other organizations, and the tutors make a huge impact in the lives of children like Jay.
