

COVID-19 Prevention Best Practices

At GFAGC, the health and safety of our wonderful volunteers come first!! With the current public safety concerns, we are committed to making sure this is a clean and comfortable environment for you. As a volunteer, please adhere to the below listed recommended guidelines:

Do not enter if you are or have recently been sick

- **Temperature Taken**
 - Your temperature will be taken upon arrival.
- **Stop the Spread of Germs**
 - Be respectful of fellow volunteers. If you have any symptoms, fever, cough, fatigue, headache, shortness of breath or having difficulty breathing, muscle or body ache, loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, please stay home and seek medical advice.
- **Cleaning and Disinfecting Hard Surfaces**
 - We will clean and disinfect tables in the wrapping area. We will have hand sanitizers placed on all tables as well as the entrance area.
- **Social Distancing**
 - We have spaced each table at least 6 feet apart and ask when working with a group, to respect social distancing.
- **Face Coverings**
 - Mandatory to wear masks at all times covering both nose and mouth. Front entrance will have extra face masks for those who do not have one.

We appreciate your cooperation in following the guidelines and keeping all our wonderful volunteers safe.
