

In 1988, Gifts For All God's Children began at Faith Lutheran Church in Troy, Michigan as an advent ministry to serve needy children. That year, 187 children received Christmas gifts. This outreach has expanded due to a growing number of people in churches, private and public schools, organizations and businesses sponsoring children, making donations or volunteering. In December 2020 over 2,400 children received gifts picked out especially for them. Since 1988, the number of children served has reached more than 74,886! Along with the sponsors in churches, businesses and schools who purchased beautiful gifts, thousands of gifts were shopped for and wrapped at our "Christmas Workshop" at Redemption Lutheran Church in Sterling Heights. Large bags of gifts were distributed to the children after church services, or delivered to their homes.
